

NOTICE TO THE LANDOWNERS OF THE  
CITY OF WAUTOMA

Wisconsin State Statute §66.0809 requires municipalities to place delinquent water bills on the tax roll of any property that was furnished with water utility service prior to October 1. The purpose is to keep the amount of municipal uncollected debt to a minimum and to protect other utility customers from rate increases.

The City of Wautoma Water Utility shall determine which accounts are in arrears as of October 1, 2017. On November 1, 2017, a 10% penalty will be applied to those accounts. On November 15, 2017 all remaining arrears and penalties shall be transferred to the tax roll.
